

## TRAVEL PROTECTION WAIVER

Purchasing travel protection can minimize monetary loss due to circumstances beyond your control as a traveler.

**Getaways Unlimited** recommends the purchase of travel protection to protect your vacation investment.

Furthermore, the US Health Care Financial Administration (HCFA), the federal agency that supervises Medicare, and the U.S. State Department advises Americans to purchase travel protection when they travel abroad. "Medicare, and many health insurance plans do not cover you when you travel abroad" (noted on page 3 of the U.S. passport).

**Getaways Unlimited** has carefully selected the best travel protection coverage available. We strongly recommend that you purchase travel protection for these reasons!
