## Dec. 6 General Membership Meeting

# TLU - A major source of pride and much more!

Dr. Jon Moline will address the Chamber's membership at the Dec. 6 General Membership Meeting. Dr. Moline will share with us information about the University and plans for its future.

Texas Lutheran University is recognized as one of America's Best Colleges by *U.S. News & World Report*. The University is not only a major source of pride for our community, it is also an economic engine that provides hundreds of jobs and pumps millions of dollars into our local economy. Please join us for an interesting and informative presentation about this nationally recognized university.

Taking care of business - that's what the monthly General Membership Meetings are all about. On the first Wednesday of each month, members of the Seguin Area Chamber of Commerce are invited to our new networking and business-promoting lunches!

Of course, during these meetings, we'll recognize new members and special guests, but we also are offering a couple of ways for you to promote your business.

**One-Minute Commercials** are a great way to tell who you are, what you do, about your product or services, or to mention a sale, announce an anniversary

or special promotion. The first five people to sign up each month will be able to present a commercial.

**Mini-Expo Tables** are just that - a place where you can display your product or information during the pre-meeting connecting time. Again, the first four businesses who call each month will have a Mini-Expo Table. There will also be a table in the lobby where any businessperson is invited to place brochures or business cards.

Along with Chamber announcements, each month the meeting will feature a speaker who will give a brief presentation of interest to business owners and citizens of the area. Door prizes will be awarded throughout the fun, fast-paced luncheon and you will be on your way back to work by 1!

The monthly General Membership Meeting and Luncheons will be held at the Seguin Guadalupe County Coliseum. Registration and networking will begin at 11:30 a.m., with the meeting starting at noon. The cost is \$10 for those who RSVP by Dec. 4; and \$12 after that date and at the door. Please RSVP early, so we may order the appropriate number of lunches. No-shows will be invoiced for the price of the meal. Call The Chamber at 379-6382 or stop by the office.

## Committee volunteers can make a difference

Volunteers. The Seguin Area Chamber of Commerce would be nowhere without the volunteers who work on 10 standing committees and several subcommittees throughout the year.

*Promoting awareness about agriculture's impact on the community ... Addressing issues in local, regional and state government ... Facilitating conversations among educators and industry leaders ... Attracting sporting events to the community ... and Partnering with economic development professionals throughout the region.*

Committees accomplish the work of The Seguin Area Chamber of Commerce. Consider joining one of these groups and learning more about making a difference in your community - call The Chamber to join a committee, connect with your peers and grow your business. Chamber Committees include:

**Agriculture Awareness** - promotes the agricultural industry, supports Ag Day for Kids, sponsors Agri-Fest, facilitates communication among agricultural entities and supports the Texas Agriculture Education & Heritage Center.

**Ambassadors** - a group of men and women who act as official hosts of our community by fostering and promoting goodwill between new and existing businesses and community groups.

**Beautification** - Along with supporting the Help Seguin Shine program, this group promotes the Clean Seguin program, supports beautification projects throughout the year, sponsors window display contests during various holidays and offers funding opportunities for cleanup projects.

**Industrial Relations** - provides a forum for area industries to exchange information and ideas on topics such as education, wages and benefits, technology, human resources and training.

**Leadership Seguin Advisory Board** - recruits members for the Leadership Seguin

Class and organizes the nine monthly tours and presentations. Leadership Seguin hopes to provide a program that familiarizes participants with the community's opportunities, needs and resources to work for the enhancement of the community and the growth of the participants.

**Small Business & Retail** - the newest Chamber committee, Small Business and Retail Development is meant to increase networking opportunities for small-business owners, provide information and training opportunities, address governmental issues affecting small business and retail and recruit more retail business to Seguin.

**Sports Marketing** - attracts events to Seguin that will have a direct impact on the local lodging and dining industries while increasing revenue for sports venues.

Last, but not least, the Special Events! If you're more interested in working on a specific project, perhaps one of these special events will suit your fancy!

**Agri-Fest** - a special trade show designed to showcase agriculture.

**Business Showcase** - annual trade show for Chamber members. Held in March.

**Thank you, thank you, thank you**

Seguin is such a great town full of outstanding people who constantly are doing good things for our community and for our Chamber. So, I thought now would be a good time to recognize and thank just a few of them.

First, I would like to thank all of those who volunteered to recruit new members to our Chamber in an overwhelmingly successful Chamber membership drive. You brought in more than 200 new members to our Chamber. Through your dedication and belief in the Chamber, these new members now know the importance of belonging to a group of people who want to see Seguin succeed.

And to those new members, I want to applaud and thank you for joining the Chamber of Commerce and demonstrating your belief in the future of our community. Thank You!

Secondly, I would like to thank all of those involved in a very successful Chamber Annual Banquet. Starting with my decorating committee, led by Thalia and Raynelle, the theme of "taking care of business" resounded in all the preparations and decorations you worked so hard to put together.

I would be remiss if I did not thank Chamber staff members Kendy and Debbie for their invaluable assistance in all the preparations.

Also a special thank you to those businesses who loaned us props, plants, carpeting, and whatever we needed for this event; to David Welsch for MC'ing the

**Mark Stautzenberger, Chair**

event for me; and to Mike Heckman, of All Occasions Catering, for creating a great business menu and for that '\$' ice sculpture. I also want to thank Burl Smith and his daughter Karen for their patriotic tribute in song.

And I would like to recognize and thank all of the "service awards" winners for your dedication to our community and for your extraordinary volunteer spirit. You represent the spirit of volunteerism that truly is Seguin. Thank you!

And finally, but most assuredly not least, for their unanimous support of the 1.4 million square foot - \$50 million

"Project Green." I would like to extend say a special "thank you" to the Seguin City Council and the Guadalupe County Commissioner's Court for their belief in the growth and future economic success of this community. But I would be remiss if I did not also recognize the Seguin Economic Foundation members and Seguin Economic Development Director Ramon Lozano for all the hard work they have put into this project. Hopefully we can make plans for a groundbreaking ceremony in the near future and celebrate this major success story for Seguin and Guadalupe County. Thank you!

So, all I can say is "Thank you, thank you, thank you"! Without your belief in our community, without your outstanding volunteer spirit, without your support we could not be Your Chamber - "taking care of business."
