*Join me as we explore the ancient wonders of Europe.
Places we've all dreamed about all our lives.*

Europe, here we come!

We're not kidding when we say we've got everything onboard. **Norwegian Gem** was built for Freestyle Cruising, chances are you'll treasure everything about the award winning **Norwegian Gem**. She's brand new and full of exciting options. Onboard, when it comes to Freestyle Cruising, something new is definitely a good thing. This brand new ship offers all the things you love about NCL - all the restaurants, the bars and lounges, plus the complete disregard for watches and alarm clocks. It's the latest in the Jewel class family of ships, sister ship to Norwegian Pearl; and you'll find yourself wondering what to do next, nap, bowl a few games, get a good workout or ...whatever.

Norwegian Gem Highlights- 11 bars & lounges to explore and 12 restaurants. There are exclusive Courtyard Villas and Garden Villas, which is how you add the word "decadent" to your vocabulary. There's even a bowling alley (a cruise industry first!). Choose from an impressive array of accommodations from the ultra luxurious Garden and Courtyard Villas to family-friendly connecting staterooms and suites. Finally, a vacation where you're free to whatever.

We'll spend two nights in **Barcelona** before our cruise. We can relax and enjoy this spectacular city. Famous for shopping and sightseeing. The Gothic Quarter, The LaFamilia Cathedral, Monserrat, Gaudi and so much more. We can enjoy this great city and proceed leisurely to ship check-in Sunday mid-day. Saturday sightseeing is included in our cruise package.

The first port is **Valetta, Malta**, where you have a full day. This city along with nearby Medina and Rabat are a fascinating return to medieval times. Malta is also one of those places with exotic, mysterious things attached to it like the Maltese Falcon, Maltese dogs, and the Knights of Malta.

Naples/Pompeii—located on the west coast of Italy. There are many shore excursion options in Naples, including the isle of Capri, Pompeii, and the Amalfi Coast. The Amalfi coast of Italy between Sorrento and Salerno is one of the most beautiful in the country. The ruins at Pompeii are like no other. The Isle of Capri's Blue Grotto is one of the most photographed picturesque spots in the Mediterranean. Shoppers will be delighted in the hand carved cameos from this unique region of Italy.

Civitavecchia/Rome - visit this city once or one hundred times, and you will always find exciting ruins steeped in history. Must sees include the frescoes on the ceiling of the Sistine Chapel which are Michelangelo's most famous works. The Colosseum, the Wedding Cake, St. Peter's Square in Vatican City, the Pantheon, the Spanish Steps, Trevi and the Forum. The sights are easy to navigate on one of the many ship excursions. Another great city for a hop-on hop-off tour. Remember some of the sights are the walking district of the city.

Livorno/Florence - We recommend a ship shuttle from Livorno to Florence. This is a splendid walking city. Must see's include the Uffizi Gallery and the Accademia Gallery for Michelangelo's David. There is no better way to see Florence than a hop-on and hop-off double-decker bus. Stops along the tour route include the Cathedral, Santa Croce, San Marco, Piazzale Michelangelo and much, much more!

Cannes, France - The perfect place to begin a coach tour to Nice and Monte Carlo. Walk the La Croisette, the main boulevard with the finest shops and restaurants. See why this is the playground of the world's wealthiest travelers.

We are printing this brochure with the cruise line's airfare add-on. If we are able to get a lower fare when the flights are loaded for September 2009, we will pass that savings on to you. *Thank you for your understanding.*

In each of these ports there will be many choices for optional tours offered by the cruise line and from dockside vendors. Do as much or as little in each port as you wish, we will have a cruise talk before departure and review the optional tours in each port. You will be cruising with Bruce Kropp from WJBD Radio. Bruce has been escorting these radio come-along cruises for several years. He loves to travel and will take wonderful care of all those who join him on this incredible journey. We hope you can join Bruce onboard for this escorted Mediterranean cruise.
