

## Light festival Amsterdam 2016

During the winter months (1 December till 17 January) the Light Festival takes place in Amsterdam. This festival treats the visitors to a spectacle of light. Mainly work from (young) light artists.

There are 2 main routes along the pieces of art; a 75 minute canal cruise or a walking route through the culturally rich neighborhoods Weesper and Plantage.

We can provide tailormade programs which combine the Light Festival with other highlights of Amsterdam and Holland. A combination with the Christmas markets in Brussels and / or the Ice Sculpture Festival in Bruges is also possible.

## Cultural Holland

Your very first visit will be in The Hague, at the Mauritshuis Museum and the Bredius Museum. Three days will be dedicated to exploring Amsterdam, with visits to the Amsterdam Museum, the Rembrandt House, the Maritime Museum as well as the Rijksmuseum, the Van Gogh Museum, the Hermitage Museum and the Frans Hals Museum. You will also have time to enjoy a tour of the canals and have dinner at the “Five Flies” restaurant. On the last day you will visit the national Park Hoge Veluwe, the Kröller-Müller Museum and “Het Loo” Royal Palace.

## Bruges, Zeeland, Rotterdam and Gouda

Enjoy the combination of one of Belgium's finest cities and Dutch treats.

We will start in Bruges where you will see all the beautiful sights and you will make a boat trip on the canals.

The next day you will meet your guide and travel to Zeeland. This province of the Netherlands has a great history with water. You will learn all about the 1953 disaster and why dykes and locks were built during the visit to Deltexpo Neeltje Jans.

In the afternoon we will visit an Oyster farm and learn everything about growing oysters. Of course you will also get to taste this exquisite product.

The other days of the trip will be spent in Rotterdam and Gouda. You will discover Rotterdam with your guide by coach, on foot and by boat. And you will get to know Gouda and its local treat; Stroopwafels.
