Frequently Asked Questions

1) *What type of internship placements can be found?:*

Cultural Embrace and our local partners work with a large number of companies and offers placements in many different fields, such as: Social Work, Medicine, Business, Entertainment, Hospitality, Tourism, Education, Law, and much more.

2) *Where are the internships and can I choose where I will be placed?*

Internship placements are located in Santiago. We encourage participants to ask for a specific industry and we try our best to meet your preferences, but please keep in mind that we can only make placements according to companies' availability and acceptance.

3) *Where can I live?*

Cultural Embrace will pre-arrange your accommodations prior to your arrival in Chile. Our program fees are based on a shared room in a homestay with two meals a day, six days a week. If you would like an apartment, please let us know and we will be happy to arrange this for an additional charge.

4) *How long can I intern in Chile?*

This program is a minimum of two months and can last for up to three months without any special arrangements. If you wish to continue your internship longer than three months, you will need to get a student visa.

5) *What type of visa assistance does Cultural Embrace provide?*

Please note that any visa fees and applications are the responsibility of the applicant. And, while we can assist you during the process, ultimately it is your responsibility to ensure that you have obtained the appropriate visa for your work experience. **Cultural Embrace** has no control over the visa process and cannot guarantee that your visa application will be accepted. Special arrangements will not be necessary for internships three months or less.

6) *What are the language requirements?*

Most employers will require at least an intermediate level of spoken Spanish. You will receive an oral interview upon your arrival in Chile before beginning your internship to confirm your Spanish proficiency. If you would like to take intensive Spanish language classes before your internship begins to obtain this level of fluency, please just let a **Cultural Embrace** representative know and we will be happy to arrange this for you.

7) *What are the working conditions?*

Your work schedule will be assigned by your employer, but you will typically work 30-35 hours a week. If you are taking Spanish classes, you will have to work out a schedule with the language school and your employer that works for all parties.

Although this is an unpaid work experience, you are expected to be dedicated to your duties and responsibilities. Each employer has its own working and schedule arrangement that you should be willing to accept. Of course you are encouraged to travel, but please consult with your employer to see if you can organize a schedule that will be effective for all parties involved.

8) *What should I wear or bring to Chile?*

This depends on your field of interest and job. We recommend that you dress with a 'smart casual' attitude. However, we will provide you with more details in your **Cultural Embrace** pre-departure kit about your job and packing list.

9) *Can I intern and/or live with a friend or partner?*

Yes, you can enroll in this program with other people, however, please note that positions may be limited within a company. If we cannot find you an internship together with the same employer, we will try our best to organize your placements in the same area. We can arrange your accommodations together in a double occupancy, or organize single rooms in the same area. Additionally, we encourage you to travel and explore your world with others. This enhances your experience and memories, and you can be rewarded for referring others to travel on a CE program.

10) *How long will it take to make my placement?*

We ask applicants to apply at least 12-16 weeks in advanced of your desired start date. The placement may take less time than this, but we want to ensure that we have enough time to find a great placement for you! There are additional administrative fees if you apply less than 12 weeks in advance, and we do not contact our local partners until we receive at least 50% of the program fee payment.

11) *When should I buy my plane ticket and does **Cultural Embrace** provide any resources to help with plane tickets?*

Plane tickets should not be purchased until after your placement has been confirmed. **Cultural Embrace** works with consolidators and discount travel agencies that can help find cheaper tickets than those that are available to the general public.

12) *What do I do if I have a problem or complaint within my work placement?*

You must speak to your employer or manager to give them an opportunity to explain or investigate the situation. If the complaint still exists, then please contact your local representative in Chile, as well as let **Cultural Embrace** (Austin office) know so we can mediate on your behalf. Please note that you will be assigned a local representative that will provide you with placement report(s) and end of the program evaluation.

13) *Why should I pay to intern abroad, and where does my money go to with **Cultural Embrace**?*

Cultural Embrace and our local partners in Chile specialize in arranging a guaranteed internship placement, housing and insurance prior to your departure. This will alleviate the troubles and stress of getting everything organized in a new country, so you will have more time and energy to spend on your internship and living abroad. Your time abroad will still be an independent and memorable one, but we are here to guide you to a safe, healthy and comfortable experience before, during, and after your adventure.

Your program fee includes your customized internship placement, comfortable homestay with meals, basic international traveler's insurance, and all of the administrative and logistical costs to set up your placement in the States and Chile. **Cultural Embrace** also pro-rates the expenses for marketing, advertising, and site visits/communication among all of our programs within our fees.
