# DELUXE NEW YORK CITY & THEATRE EXPERIENCE

August 26/30, 2009

## **THE "BEST" OF THE BIG APPLE:**

This travel experience is designed especially for those who want to have an in depth experience in one of the world's truly great cities -- an experience that is overflowing with top quality and high value.

When you "go away" on this departure you will put into play in a big way all your senses of sight, smell, taste, feel, and sound as the vibrant workings and activities of New York City envelop you..

Much more is "included" in this tour than most departures. Please compare. When you compare "Big Apple to Big Apple" you will see you are receiving more from Please Go Away™ Vacations. It "will not" be necessary for you to purchase a lot of "extras" once you arrive to round out your experiences. This is common practice with many other offerings that want to appear inexpensive, but in reality cost you more in the long run.

Again, compare! And, then, "Please Go Away™" with us.
