## Highlights:

**DENALI NATIONAL PARK, HOME OF MT. MCKINLEY:** Covering six million acres of untouched wilderness, Denali Park is one of North America's great wildlife preserves. Observe many of the 130 species of birds, 500 wildflowers, and over 40 species of mammals that make the park their home on your game drive. Stay at the Denali Princess Lodge and enjoy a National Park natural experience and special bonus entertainment that will unveil the "True Alaska".

**FAIRBANKS:** A city tour will include a drive by the campus of the University of Alaska, the northernmost institution of higher learning. Farmers Loop Road, Old Fairbanks and a visit to view and touch a segment of the Trans-Alaska pipeline are additional points of interest. Board an authentic operating sternwheeler for a cruise on the Chena & Tanana Rivers with a stop at "Old Chena Village" for a dog-sled demonstration. Native guides will share a glimpse into the history and culture of the Athabaskan tribe. See up close amazing fish traps and the difference between glacial and fresh water rivers. You'll also pan for gold.

**GLACIER BAY:** Muir Glacier, the major glacier in Glacier Bay National Park, is almost 2 miles wide and rises about 25 stories above the water.

**HUBBARD GLACIER:** Hubbard Glacier stretches 76 miles to the sea north of Yakutat in Disenchantment Bay. It is the longest tidewater glacier in America, with an open calving face over 6 miles wide.

**JUNEAU:** Juneau is the only state capitol in the U.S. you must fly or cruise to. Optionally visit the Alaska-Juneau gold mine, mighty Mendenhall Glacier, or the little log Chapel by the Lake . . . Or walk to the rousing Red Dog Saloon!

**KETCHIKAN:** Home of rainforests, fjords, glaciers and numerous waterfalls. It is best known for its Alaskan Native culture and great salmon fishing. It has more totem poles than anywhere else in the world.

**SKAGWAY:** Here discover the "gold rush" and where it started. Tour this beautiful little city of wooden sidewalks and false fronted buildings. You'll marvel at the fortitude of the "cheechakos" that became "sourdoughs" here.

**INCLUDED IN ABOVE SPECIAL PRICES** Bonuses and personal escort (with minimum of 12 qualifying passengers). Roundtrip air from Wichita (air from all other major cities available, with prices adjusted to reflect any differences), air/port/ other taxes/government fees, transfers, other charges. **DEPOSIT** A normal deposit of \$1,250 per person is required to secure space on this tour, however, early reservations made until further notice qualify for \$1,150 deposit per person.

**EARLY RESERVATION SAVINGS DEADLINE** It is impossible to give a definite date since spaces, savings and bonuses can be withdrawn at any time. We anticipate November 1, however, it is possible that the cruise line will initiate an earlier date because of greater than expected demand, along with the withdrawal of all unreserved spaces from our inventory. Of particular importance is the fact Alaska has a very limited supply of quality land accommodations. We are staying in the best. Because of this they tend to "be gone" early. There often is space on ships, but no spaces on land.

**EARLY RESERVATIONS HELP YOU** The earlier you reserve the better choice you have as to stateroom location, flight times, airplane seating, dining times, and possible additional savings. Because of our special relationship with Princess, we will be able to obtain for you any future specials or price reductions if they are offered. Reserve now and be protected by our exclusive **100% RESERVATION DEPOSIT REFUND GUARANTEE** (see reverse for details).
