PEGGY'S COVE - North America's most-photographed site!

**A Personal Invitation to join
Paula & Kenny Axman as they
celebrate two important
anniversaries in 2018 on this
fabulous Princess Cruise
experience!**

2018 is a major milestone in their lives. 45 years ago they were married and began life's journey together. Little did they know at the time that 15 years later they would begin another adventure that would actually turn into many additional journeys. 30 years ago this year Paula became a team member of Cheyenne Travel/ Please Go Away™ Vacations. She immediately began to assume additional responsibilities in the organization on a daily basis with Kenny contributing many hours behind the scenes helping to make the business grow and prosper.

They have been blessed with many friends and with many experiences over the years. From literally hundreds of different travel possibilities they have chosen this special cruise experience to observe their

dual anniversaries. They very much would like for you to join them; perhaps to also share a special event occurring in your lives; and to share their special dual anniversary milestones.

They are requesting no gifts when you do. Instead, they will host a private anniversary party while on the cruise with you as their special guests. They will also give you a special "dual anniversary" remembrance to show their appreciation to you for joining them on this special cruise.

Your early reservations assure best choice of travel arrangements, accommodations, dining times, and maximum perks and savings that may be provided by the cruise line.

Understanding that early-made plans can and sometimes do change, Please Go Away™ Vacations has crafted an exclusive no-cost **100% Reservation Deposit Refund Guarantee** that allows one to cancel "for any reason" until the 100% date detailed for you later in this brochure. After that date, travel protection is in place to protect you "for covered reasons."

Very Important Cancellation Provisions - Read Carefully - Understand - Ask Questions

It is the desire of Please Go Away™ Vacations that you do not place the money you pay for your deposit and final payments at risk. This is why we provide an exclusive **100% RESERVATION DEPOSIT REFUND GUARANTEE** date for each of our special "FEATURE" TRAVEL departures. On this Alaska Adventure this very important date is May 20, 2018. This is important because up until that date you can cancel "for any reason" and receive a full refund of your deposit. Travel protection is available after this date with Travel Insured International.

Protection generally relates to unforeseen health and accident challenges of the traveler, traveler's immediate family, and traveler's traveling companion. One cannot cancel for other than "covered reasons" and be protected by the terms of the travel protection. Before May 20, 2018 you can simply "change your mind" and be fully protected.. After that date, you "cannot change your mind" and be protected.

Cancellation assessments for "other than covered reasons" after May 20, 2018 are: May 21, 2018 through July 20, 2018- 50% of total charges; July 21, 2018 through conclusion of tour - 100% of total charges. Additionally, Princess reserves the right to reinstate the fuel supplement for all guests at up to \$9 per person per day if the NYMEX oil price exceeds \$70 per barrel, even if fares have been paid in full.

Notice

Cheyenne Travel Agency, Inc. and/or Please Go Away™ Vacations give notice that all tickets, vouchers, and coupons issued by them and all arrangements for transportation or conveyance or for hotel or lodging or for sightseeing services made by them, are made by them as agent for all involved operators, charter organizers, air/ocean/land carriers, hotels and all other suppliers without exception and upon express condition that they shall not be liable for injury, damage, loss, accident, delay or irregularity which may be occasioned either by reasons of defect in any vehicle or through the acts or default of any company or person that is engaged in conveying the passenger, furnishing rental cars to him, furnishing sightseeing services to him, or that participates in carrying out the arrangements of the tour or otherwise in connection therewith, or of any hotel or lodging or employee of said hotel or lodging. All prices are based upon those in effect at time of brochure printing and/or expected to be in effect at time of travel and are subject to change. Cheyenne Travel Agency Inc., and/or Please Go Away™ Vacations give notice that they cannot be held responsible for any disruption of travel and/or related services due to monetary crises, political or social unrest, labor problems, climatic aberrations, local law, disease or unusual conditions, or for any other reasons whatsoever. These limitations of responsibility and liability likewise extend to any sponsoring person, persons, or organization. Cancellation, interruption and other Insurances are definitely recommended. Please ask any questions you have.

Travel Protection and Preferred Method of Payment

The monetary investments you make in travel plans and arrangements are very substantial and can be subject to very significant cancellation fees and various assessments imposed by many different components and suppliers of any travel experience. Various amounts can be imposed depending upon actual date and circumstances of cancellations and/or travel interruptions, possibly totaling 100%, or even greater, of the amounts you paid, in cancellation assessments. We "do not" recommend the protection plans offered by individual cruise lines and/or individual tour operators. These are most often very limited in scope and are quite often misleading and/or unclear in their coverage provisions. There are normally a number of excluded situations in their plans, which preclude complete recovery, or which do not sufficiently provide maximum coverage for the expenses incurred for the overall components of your travel experience. Such plans have been subject to numerous failed protections and complaints. It is the opinion of Cheyenne Travel/Please Go Away™ Vacations that the **TRAVEL INSURED INTERNATIONAL** protection plans are superior. Cheyenne Travel/Please Go Away™ Vacations acts only as agent for **TRAVEL INSURED INTERNATIONAL** and all decisions as to policy interpretations and coverage are made solely by **TRAVEL INSURED INTERNATIONAL**, as is true with "all" available insurance protection plans. To save our clients money, we prefer payments for all departures described in this catalog only in the form of your check, money order, or cash. This allows us to keep from passing through to each of our travelers the substantial fees charged by credit card companies. Because of the high quality of our travelers we do not feel the necessity of protecting ourselves by accepting credit cards - your word and your personal payments are sufficient. Also, it is necessary that your payments be directed to many different travel components. The use of credit cards complicates this procedure. In the rare instance when a client insists upon using a credit card for payment toward one of our personally escorted travel experiences there will be a supplemental service/transaction fee of a minimum of 4% of the amount charged added to the credit card transaction.

Comments on Airlines Used

As part of Please Go Away™ Vacations' unmatched personal service of "taking" travelers on the personally escorted travel experiences detailed in this catalog, as opposed to "sending" them on their own; while at the same time providing value-added "all inclusive" travel experiences where everything specifically referenced in the descriptive brochure is already included in the price shown, round trip air transportation from a specific named departure city or cities (changes in the departure city used are allowed with proper adjustment of pricing) is included in the indicated pricing. The identity of specific carrier(s) used, which may include a code-share flight, will be assigned and disclosed at a later date, when known. In the alternative, individual travelers may arrange their own air transportation that properly coincides with arrival and departure requirements of the specific tour departure. If done, proper reductions will be calculated. In today's travel world airlines regularly charge to check luggage, for overweight luggage, and for other services. When imposed, airlines require the traveler to individually pay for these amounts with credit or debit cards, or cash. Because of this, such charges are not included in any indicated tour cost. When required, air flights are included in the tour price shown. Flight air fares will be calculated from Wichita, KS unless schedules or availability indicate otherwise. We are pleased to attempt to arrange flights from other departure cities if more convenient for, and requested by, our travelers. When this occurs fare adjustments - either up or down - are passed through to the affected traveler.
