

The KANSAS ASSOCIATION OF RETIRED SCHOOL PERSONNEL is continuing to expand the amount and types of benefits provided to our members.

We are delighted to include greatly expanded travel services and opportunities among these benefits.

More people are traveling now than ever before. A prime example proving this is the fact the cruise industry in the past several years alone has built enough brand new ships to accommodate almost 4 million new passengers annually. More new ships are scheduled. The same degree of growth is evident in the areas of land-only vacations resorts.

To maximize the benefits and opportunities available to **KARSP** members we offer an outstanding selection of personally hosted leisure vacation and cruise travel experiences throughout North America and the rest of the World.

We also offer unbeatable benefits for the leisure vacation and cruise travelers that prefer "not" to be part of a personally hosted travel experience (such as individuals and couples traveling alone, families traveling together, small groups of friends sharing experiences among themselves, etc.)

Descriptions of how these services benefit **KARSP** members are included in this brochure.

Thank you.

# #1 - "On-Your-Own" Leisure Vacations & Cruises

(KARSP non-hosted travel experiences)

*Ideal for:  
Families  
Groups of Friends  
Couples*

Effective immediately, all **KANSAS ASSOCIATION OF RETIRED PERSONNEL** members that desire to travel "on-your-own" (other than with a group hosted by a KARSP representative) are entitled to participate in a special money and time-saving leisure vacation and cruise travel program. This benefit includes all the programs of all major cruise lines and travel companies (check our Preferred Supplier brochure for a partial listing).

There is no cost — substantial savings of time and money should be realized.

Whether you are an individual, a couple, a family planning a vacation or reunion, or a group of friends — this program will benefit you. Likewise, whether it's a Las Vegas weekend, a 3-day or longer cruise, time spent in a really cool city, a foreign country adventure, or any of the other unlimited package travel possibilities this program will also benefit you.

It's simple — here's how it works:

- If you like to do your own research do so and find the best price available for the fun time you desire (including checking on the internet).
- Present your travel wishes (with or without your own research results) to the travel professionals at:

## **Cheyenne Travel/Please Go Away™ Vacations**

*"Small Town Caring Worldwide — With 40 Years of Continuous Travel Service"*

**1600 Main Street—Great Bend, KS 67530**

**800-362-9347 / 620-792-2458**

**answers@travelpleasegoaway.com**

**www.pleasegoawaytravel.vacation.com**

- They will quote you a price that will be the same or better than you have found (in the rare instance they can't match your price they will tell you).
- Once you feel completely comfortable by having all your questions "personally" answered and have reserved your travels through their travel professionals they will, as a special "KARSP BONUS", provide you with "additional savings" of up to \$40 per person.
- Or, if you prefer, contact them first and they will gladly assist you in your research. You will still receive the same benefits and bonuses.
- Their full time team of travel professionals will be "right there" to "personally" answer your questions and to resolve any concerns that may arise before, during or after your travels.
- You will always deal with a "real live person".
- The benefits and bonuses will extend to everyone traveling with you.
- All you have to do to qualify is to identify yourself as a **KARSP** member.

## #2 - Group Leisure Vacations & Cruises (KARSP hosted travel experiences)

These travel experiences are especially designed for those travelers that prefer the comfort, camaraderie, safety and convenience of traveling with other travelers from the same general area with similar backgrounds and preferences. A **KANSAS ASSOCIATION OF RETIRED SCHOOL PERSONNEL** host is with you throughout your travels to take care of the travel details, to answer questions, and to make sure every participant is able to enjoy their travel experience to the fullest.

There are always special included benefits and bonuses for participants of these special travel experiences; along with special **KARSP SAVINGS**, not otherwise available.

Request your free/without obligation brochures on one or both of the following **KARSP 2007 PERSONALLY HOSTED TRAVEL EXPERIENCES**. 2008 programs will be announced mid-year.

- **SPRINGTIME ALONG 3 RIVERS — May 3/6, 2007** New England-style motor coach travel experience featuring the fall foliage, white-spired churches, and limestone bluffs of the Missouri, Illinois and Mississippi Rivers, while following The Great River Road and in the footsteps of Lincoln, Twain, Lovejoy, Douglas, Wadlow, Tibbetts, Churchill, Penney, James, Lewis, Clark, Marquette, Joliet, Disney, Bradley and others. Filled with pre and post Civil War history (much of the area visited was featured on the Ken Burns PBS Civil War television series). You'll also be privy to more recent history as you visit the site where Winston Churchill coined the famous "Iron Curtain" phrase describing post World War II political and personal environments in Europe and learn, in the words of Paul Harvey, "the rest of the story". To better accommodate our state-wide membership this experience features a special tour routing originating in Hays and traveling eastward to Kansas City, with pickups en route along I-70.
- **CANADA & NEW ENGLAND CRUISE plus NEW YORK CITY'S BEST — September 27 / October 6, 2007** Start your autumn experience with a 3-day/2-night New York City Experience, complete with reserved seats for a top Broadway play, dining in a famous New York Restaurant, all-day coach tour of New York City, and a special surprise of famous New York Cheese Cake at a "real" New York deli. Follow this with a luxurious cruise aboard the brand new Crown Princess to exciting, beautiful and historical cities in New England and Canada. You'll view the New York skyline from your floating resort and be treated to exclusive bonuses included just for our special cruise group members, like a 2-hour lobster boat ride experience in Bar Harbor, Maine with Maine Lobsterman, John Nicolai. Outstanding ports of call will be enjoyed in both New England and Canada.
