

CELEBRATING 49 YEARS OF SERVICE / 1966 - 2015!

Cheyenne Travel/Please Go Away™ Vacations has had the privilege of providing personal travel service to many thousands of travelers for almost 50 years and we look forward to many more years. Almost anywhere in the world you want to travel our full time travel professional team can say we have "been there" and that we can fully serve your leisure vacation and cruise travel desires and requirements based upon personal experience. This special hometown "hands on" commitment provides unmatched quality and value with "real live" personal service.

Whether it's North America's earliest sunrise atop Cadillac Mountain in Acadia National Park, exploring inside the Great Pyramid of Cheops, wild animal safari runs in East Africa, riding the parasails of Acapulco, walking on The Great Wall of China, climbing the heights of Machu Picchu in the Andes, walking among thousands of penguins in Antarctica, stalking the polar bears of Churchill, experiencing the Capitals of Europe, riding the "tube" in London, enjoying the "roads less traveled" of river cruising, touching the Alaskan Pipeline, cruising the Greek Islands or the Great Barrier Reef of Australia, viewing the glowworms of Waitomo in New Zealand, or practically anywhere else, we've been there.

Our team of full time leisure travel specialists is proud of the fact that we are a locally owned company that still practices Small Town Caring - Worldwide while, at the same time, providing highly personalized travel arrangements for both "on your own" travels and group travels to all seven continents of the world.

We are right here before, during and after your travels to personally answer all your questions and address all your concerns. If you want to have all your leisure vacation and cruise travel questions answered by a real live person that is a member of a professional travel team that has personally traveled to all seven continents and upon all the oceans of the world over the past 49 years, then this is where you want to be. We're different - let us prove it!
