

Please Go Away™ Vacations' **“GO AWAY GALS”**

Ladies,

Think about it.

Leave the guys at home and join with fellow females of your choosing to enjoy a “ladies only” good time.

Maybe it's a spa weekend in Sedona. Or, an exclusive spa resort elsewhere.

Maybe it's the “Big Apple” to take in Broadway plays, shop at the city's many boutiques, go to the Today Show, dine at exquisite eateries, or anything or anywhere else that strikes your fancy. Or maybe New Orleans for cajun customs and cuisine.

It could even be like our clients - one living in Florida and the other in Lawrence, KS - who are planning a sisters' flying trip to Germany to see the Chiefs play the Miami Dolphins on Sunday, November 5 at Frankfurt Stadium. They are now talking of extending their stay and good times by taking the train from Frankfurt to Paris to experience the City on the Seine also known as “The City of Lights”. Interestingly, the sisters have just returned from a sisters' resort outing in the Dominican Republic.

Or, it could be like the group of ladies who had us make arrangements for them to fly to Maine this past fall where they rented a car and did their own thing.

You can also gather up your fellow females and be a part of any of our group tours - you would be like a group within a group with someone else doing the “work and worry” for you.

Our full time team of travel professionals providing our GO AWAY GALS full array of services at “no extra costs” to you can serve you with any type of “ladies only” outing you desire. Just like the traveler shown above - you'll have a smile on your face when you participate in a GO AWAY GALS outing.

They are ideal for mother-daughter-granddaughter outings, for sister outings, for friends and fellow worker outings, the opportunities are endless.

Special note: Watch for our special “GO AWAY GALS GETAWAYS”!
