HOW TO RESERVE & RESERVATION DEPOSIT AMOUNTS

To reserve on a "Please Go Away™ Vacations" departure the applicable reservation deposits, as described below, must be forwarded to your travel agency along with a signed reservation form. Spaces are not secured until Please Go Away™ Vacations accepts your reservation, which will automatically occur unless you are informed of no spaces remaining available for you. You will receive invoice for balance due memos containing departure times, clothing suggestions, hotel lists, and other items of essential information at appropriate times before departure. Questions are welcomed at any time. **Reservation deposit amounts are as shown on individual tour descriptions.** Because of our concern for their safety, and for the comfort of all tour members, young children cannot be accommodated on some tours.

CANCELLATIONS AND TRANSFERS

Important: All required cancellation notices must be received in our Great Bend offices to be effective. Notices given to sponsoring organizations or others than our office are not effective until reported to our offices. Our offices are not open on Saturdays, Sundays, or legal holidays. The number of days notification requirements listed must be increased accordingly by you to provide appropriate notice. Regardless of reasons, cancellations and transfers result in a costly process of letters, toll calls, record adjustments, refund checks, etc. plus a loss if time does not permit resale. To help offset these expenses, cancellation assessments will apply. In fairness to others, we cannot make exceptions. **Cancellation provisions are present on each individual departure brochure and/ will apply unless they have been modified by means of written notification to all involved parties. *Special note: on all Cancellations and Transfers, regardless of type of travel - in addition to all of the above provisions, where specially priced or other reserved tickets, including air tickets, are involved, there may be additional charges imposed.***

EARLY RESERVATIONS BENEFIT EVERYONE:

First of all, we are not sitting on your money. It is through the use of your reservation deposits that we actually secure your hotel rooms, seats at dinner theatres, reserved seats at sporting events, meal functions, etc. The long and short of it is that these component parts of tours will not give us space unless deposits are put down to secure them. Many times deposits are non-refundable so we will not secure tickets until you reserve. So as to not penalize you for early reservations, we always allow you to have full refund up until the 100% RESERVATION DEPOSIT REFUND GUARANTEE DATE described on individual brochure and/or provided to you in other written form. Another reason is that in top quality hotels and in the better itinerary events, which we always include, spaces are strictly limited. As you can imagine, hotel accommodations in the prime destinations we include in our travel programs are in great demand. If we cannot provide the hotel with your names, they will take our blocked spaces back and sell them elsewhere. And they should. It costs you practically nothing for your reservation deposits. It is certainly beneficial to you to be assured spaces on the tour you want; to be assured of top seating at included events, and quality hotel accommodations and locations. Chances of obtaining these are always enhanced with early reservations. You have everything to gain by acting now to reward yourselves.

ALSO IMPORTANT: See accompanying details of purchased Group Protection Plan coverage! **HERE'S SOMETHING ELSE:** In today's travel world airlines regularly charge to check luggage, for overweight luggage, and for other services. When imposed, airlines require the traveler to individually pay for these amounts with credit or debit cards, or cash. Because of this, such charges are not included in any indicated tour cost. When required, air flights are included in the tour price shown. Flight air fares will be calculated from Wichita, KS unless schedules or availability indicate otherwise. We are pleased to attempt to arrange flights from other departure cities if more convenient for, and requested by, our travelers. When this occurs fare adjustments - either up or down - are passed through to the affected traveler.
