Important:

- To better serve our travelers on all Please Go Away™ Vacations personally escorted value added "FEATURE" TRAVEL group departures there is purchased on behalf of each traveler group travel insurance protection plan provided by a **TRAVEL INSURED INTERNATIONAL** group protection plan. This generally provides protection in the event of cancellations and/or trip interruptions

occurring before or during travels necessitated by covered reasons, along with additional benefits. The full cost of the provided travel protection insurance is non-recoverable, unless waived by the insurance company, following the 100% Reservation Deposit Refund Guarantee Date. The provisions of this plan are not applicable for changes of mind or other voluntary cancellations or voluntary trip interruptions. You may obtain a copy of coverage provisions from the offices of Please Go Away™ Vacations. You may well desire to acquire additional travel protection coverage. If so, this is likewise available in the offices of Please Go Away™ Vacations. Please ask questions.

- The monetary investments you make in travel plans and arrangements are very substantial and are subject to very significant cancellation fees and various assessments imposed by many different components and suppliers of any travel experience. Various amounts can be imposed depending upon actual date and circumstances of cancellations and/or travel interruptions, possibly totaling 100%, or even greater, of the amounts you paid, in cancellation assessments .

- We "do not" recommend the protection plans offered by individual cruise lines and/or individual tour operators. These are most often very limited in scope and are quite often misleading and/or unclear in their coverage provisions. There are normally a number of excluded situations in their plans, which preclude complete recovery, or which do not sufficiently provide maximum coverage for the expenses incurred for the overall components of your travel experience. Such plans have been subject to numerous failed protections and complaints.

- It is the opinion of Cheyenne Travel/Please Go Away™ Vacations that the **TRAVEL INSURED INTERNATIONAL** protection provided through this exclusive travel protection benefits program is superior in that: premiums are fully refundable if trip doesn't operate or cancellations occur before imposition dates of cancellation assessments; pre-existing health conditions/impairments may be covered; it is generally less expensive than many other policies; it provides a 24-hour emergency telephone number, it is better for our travelers than cruise line/tour company plans; and it covers most cancelled air flight situations.

- Cheyenne Travel/Please Go Away™ Vacations acts only as agent for TRAVEL INSURED INTERNATIONAL and all decisions as to policy interpretations and coverage are made solely by TRAVEL INSURED INTERNATIONAL, as is true with "all" available insurance protection plans. To save our clients money, we prefer payments for all departures described in this catalog only in the form of your check, money order, or cash. This allows us to keep from passing through to each of our travelers the substantial fees charged by credit card companies. Because of the high quality of our travelers we do not feel the necessity of protecting ourselves by accepting credit cards - your word and your personal payments are sufficient. Also, it is necessary that your payments be directed to many different travel components. The use of credit cards complicates this procedure. In the rare instance when a client insists upon using a credit card for payment toward one of our personally escorted travel experiences there will be a supplemental service/transaction fee of a minimum of 4% of the amount charged added to the credit card transaction.

- **SPECIAL NOTICE:** As part of Please Go Away™ Vacations' unmatched personal service of "taking" travelers on the personally escorted travel experiences detailed in this catalog, as opposed to "sending" them on their own; while at the same time providing value-added "all inclusive" travel experiences where everything referenced in the specific departure brochure is "already included in the price shown," round trip air transportation from a specific named departure city or cities (departure city adjustments are allowed with proper adjustment of pricing) is included in the indicated pricing. The identity of specific carrier(s) used, which may include a code-share flight, will be assigned and disclosed at a later date, when known. In the alternative, individual travelers may arrange their own air transportation that properly coincides with arrival and departure requirements of the specific tour departure. If done, proper reductions will be calculated.
