

# 100% RESERVATION DEPOSIT REFUND GUARANTEE

Once again, Please Go Away™ Vacations is taking the lead in providing exclusive benefits for our travelers. We are pleased to announce our unique **100% RESERVATION DEPOSIT REFUND GUARANTEE** on all our personally escorted tours and cruises.

Early reservations are very necessary to maximize traveler benefits. There are absolutely no negatives when you reserve early on any of our personally escorted tours and cruises because you are protected.

We understand plans can change - we don't want you to lose any money. That's why we've developed this special guarantee for you. Here's how it works:

1. Each of our personally escorted tours and cruises has a unique **100% RESERVATION DEPOSIT REFUND GUARANTEE** date. You will be advised of this date when you reserve and you will be reminded several additional times prior to its occurrence.
2. Up until this special date you can cancel any Please Go Away™ Vacations personally escorted departure *“for any reason - including change of mind - and receive a 100% refund of your deposit”*.
3. After this special tour date passes you can cancel *“for covered reasons - not including change of mind” (generally covered reasons are associated with health and/or accident issues involving you, your traveling partner, or family members and are determined by the company providing the travel protection insurance) and be protected by the travel protection insurance that is included in each Please Go Away™ Vacations personally escorted tour and cruise*. When this occurs you receive a refund of all monies paid, except the cost of the included travel protection insurance.
4. Please Go Away™ Vacations will assist you completely before, during and after your travels.

Reserve today. You will feel comfortable and safe with these exclusive Please Go Away™ Vacation benefits. Ask if you have questions.
