A Special Benefit - Personal Host From The Beginning

No longer is it necessary for you to travel half-way across the country "on your own" and "meet up" with strangers after having had to find your way to an unknown hotel by yourself. Your personal host/hostess is with you from the beginning to assist with your travels.

Additional Benefits With Please Go Away™ Vacations

PICKUPS EN ROUTE Always welcomed on motor coach tours.

100% DEPOSIT REFUND GUARANTEE Up until the 100% DEPOSIT REFUND GUARANTEE date of the departure on which you reserve you will receive a 100% deposit refund if you cancel "for any reason". After this date your monies paid (less cost of insurance, which is included in the indicated price of each tour in this catalog) are protected "for covered reasons" - as determined by the insurance carrier - should you be forced to cancel before and/or during your travels. 100% DEPOSIT REFUND GUARANTEE DATES are specific to each tour departure. You will be advised of the date when you reserve and again before it occurs.

GUARANTEED SHARE BASIS Make your reservation on any U.S. or Canada Motor coach Masterpiece™ (motor coach only tour) under our Guaranteed Share Basis plan, and we guarantee we'll find you a roommate, or we'll pay your single supplement! This is available only for non-smoking tour members; or persons who agree in writing prior to the departure that they will not smoke in the room or in the presence of the roommate and other tour members.

TRAVEL CANCELLATION AND INTERRUPTION INSURANCES ARE INCLUDED IN TOUR COST As stated elsewhere in this catalog, we feel that you should definitely be protected on your travel investments by having preferred insurance and protection plans in place. We "do not" recommend the plans of individual cruise lines and or tour operators. We do include travel cancellation and trip interruption insurance in the cost of each departure shown in this catalog. It is with industry leader AIG TravelGuard. Please ask if you have questions.

94+% REPEAT FACTOR Quality, caring, and value keep our clients traveling with us again and again . . . one lady has logged over 70 tours! Many others not far behind.

GUARANTEED BEST VALUE Reserve on one of our tours, then compare us to the competition. If you find a better travel value, you will receive a full refund of all monies paid - just let us know before the full payment date of your particular tour.

FREE AUTOMOBILE PARKING Free parking for your car is available in a nearby Municipal Lot for those departing from our Great Bend offices.
