

No Group Groups

No, we didn't stutter or misspeak! Our new **No Group Groups** service is just that — a program with none of the requirements of being with a group of travelers and a personal escort from your home area , but with all the benefits and savings of a group.

Because of our National Account status with a number of major cruise line and land tour companies we are able to offer you something completely new and different — a program that is filled with many benefits for the independent-minded traveler.

If you are someone that likes to do “your own thing” and prefers “not” to be part of a pre-formed group of people you know, where you have a group leader and are generally required to do things with other travelers, then this can be an ideal program for you!

This new program is ideal for:

- ◆ Couples
- ◆ Small numbers of friends
- ◆ Families
- ◆ Businesses
- ◆ Civic organizations
- ◆ Class reunions
- ◆ and, many others

Basically, you can do what you want when you want and not have a group leader present to tell you what to do. At the same time, you have the basic components of your travels, like hotels, cruise ships, rental cars, etc. in place for you so that you don't have to worry about such things. You determine how you use them.

Additionally, you are entitled to receive a variety of benefits (depending upon your travel selections), such as:

- ◆ Special group savings
- ◆ Free or substantially discounted travel
- ◆ Free wine in stateroom
- ◆ Shipboard credits
- ◆ Free trip photos
- ◆ Repeat traveler benefits

There quite often can be others.

We have many other dates and possibilities — let's visit. No obligation.
