Royal Caribbean Builds Incredible, Sail On Their Newest Ship...

Royal Caribbean's imagination and innovation has no boundaries. For them a ship isn't just a ship, but rather, a collection of amazing experiences that challenge all limitations. Their new Allure of the Seas exemplifies how they continue to break the mold, time and again - and how they undertake new endeavors. Quickly, the impossible becomes possible and the unimaginable becomes real; entertainment areas become neighborhoods and suites become lofts. Allure of the Seas has 16 decks made up of 7 neighborhoods...Central Park, Boardwalk and Royal Promenade to name a few.
