

*Be Inspired – Inside Passage  
roundtrip from Seattle*

**7 Day Alaska Cruise on the Golden Princess**

So incredibly beautiful, you'll think you stepped into a painting. This is Alaska as seen from the panoramic perspective of your dazzling Princess ship. Monumental glaciers are nature's draw and Alaska's waterways reveal more of these thrilling Ice Age giants than anywhere else on earth. Alaska's Inside Passage is one of the most scenic sea-lanes in the world, home to bald eagles, whales, sea lions, otters, brown bears, mountain goats and flocks of seabirds. Plus you'll visit a variety of flavorful ports of call full of rich history and native culture. This itinerary features a 7-day cruise with ports of call in Juneau, Skagway, Ketchikan and Victoria, B.C. plus glacier-viewing in Tracy Arm Fjord.

**Seattle, Washington**

Situated on Puget Sound, surrounded by the Olympic and Cascade mountain ranges, the Seattle city skyline is impressive with shimmering glass high-rises and 100-year-old buildings standing side by side. This beautiful port city came into its own after gold was discovered in the Klondike and 100,000 people passed through the Northwest in 1897 and 1898 on their quest for wealth in Alaska.

**Pioneer Square**

At the Klondike Gold Rush Museum find gold-dust history as well as a vibrant jazz nightlife in turn-of-the-century Pioneer Square where the city first took root.

**Ferry Boats**

As ferries crisscross the Puget Sound, nature steals the show with the Olympic Mountains to the west, the Cascade Range to the east, and towering Mt. Rainier to the south.

**Seattle Center**

The observation deck of the Space Needle offers panoramic views, from the Pike Place Market to the waterfront and the Cascade and Olympic mountain ranges.

**Saturday, July 10, 2010**
