Dear Camp Agape,

This letter is long over due about the work being done at Camp Agape and I wish to apologize for that. My wife and I are house parents at the Texas Baptist Children's Home and are responsible for the care of 8 adolescent boys. Two of these young boys came to us from the Louisiana Baptist Children's Home early this year. In working with them we found that their mother had passed away while they were in the care of the Louisiana Baptist Children's Home and had never really grieved over their mother's death.

As we looked into finding places for the boys to go and be with other kids that have experienced a loss of a loved one, it was evident that God's hand was leading all of us to Camp Agape. My wife and I cannot express enough how the staff at Camp Agape welcomed us and took a true loving interest in Trey and Derek. The boys have started a relationship with Charlie & Cindy Goble, and we pray they will continue to help them be the young men God wants them to be.

The work everyone did at Camp Agape showing the boys that it's OK to cry and grieve has opened doors for all of us to help Trey and Derek in ways that we had not been able to reach them before.

Every chance we have, we tell people about the work that is done at Camp Agape and recommend it to anyone that has this need.

Again, thank you and everyone for the work you do at Camp Agape.
