The active promotion of existing businesses and the procurement of new establishments rate highly among our list of priorities. The Chamber also seeks to better our community environment by supporting various annual and special events and supporting the City in its efforts to improve the community's appearance and promote economic growth. We request the participation and fellowship of all local citizens and businesses. Working together we can create a positive community environment that will enhance the business sector and the lives of all the citizens of the area.

The annual, **tax-deductible**, membership fee remains at \$35 for individuals, and the fee for businesses is \$100.00. Business Members receive a free mini-website. The Chamber holds their luncheon meetings the first Monday of each month at 11:30 at the Lewis Contractors Building. Please join us!
