

ADDENDUM #1

November 4, 2014

**“NEW CLASSROOMS AND LIBRARY BUILDINGS”
SOUTHWEST TEXAS JUNIOR COLLEGE
EAGLE PASS TEXAS**

NOTICE TO BIDDERS:

The following modifications to the Specifications and Drawings are to be considered as much a part of the Specifications and Drawings, for the above project, to all intents and purposes, as though they had been issued at the same time as the original Specifications and Drawings.

This Addendum No. 1, predominantly consisting of plans and specifications for the Mechanical and Electrical part of the project, is being issued to all known plan holders, to the Plan Rooms that have received plans and specifications for this project and to the Owner.

Care has been taken to make reference to all items being revised, added, deducted or a clarification of a question. However, any item called for in the Addendum, but not cross referenced to every possible item shall in no way relieve the Contractor of responsibility to comply with all items, in the Addendum.

ITEM #1 – MECHANICAL AND ELECTRICAL PLANS AND SPECIFICATIONS

Due to last minute significant changes requested by the Owner, the mechanical and electrical plans, plus specifications had to be modified. They are attached and are thus a part of the scope of work for this project. There is now a total of 96 full size plan sheets in this project.

ITEM #2 – ARCHITECTURAL SHEET A9-1

In the original printing of plans for this sheet, plan Sheet A9-1 was accidentally omitted. It is attached and thus made a part of the scope of work for this project.
