

ADDENDUM #3

November 14, 2014

“NEW CLASSROOMS AND LIBRARY BUILDINGS” SOUTHWEST TEXAS JUNIOR COLLEGE EAGLE PASS, TEXAS

NOTICE TO BIDDERS:

The following modifications to the Specifications and Drawings are to be considered as much a part of the Specifications and Drawings, for the above project, to all intents and purposes, as though they had been issued at the same time as the original Specifications and Drawings.

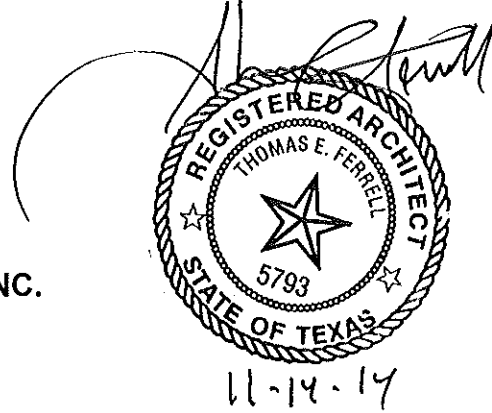

This Addendum No. 3, consisting of two (2) typed pages, plus two revised plan sheets is being issued to all known plan holders, to the Plan Rooms that have received plans and specifications for this project and to the Owner.

Care has been taken to make reference to all items being revised, added, deducted, or a clarification of a question. However, any item called for in the Addendum, but not cross referenced to every possible item shall in no way relieve the Contractor of responsibility to comply with all items in the Addendum.

ITEM #1 – CIVIL DRAWINGS AND SPECIFICATIONS

1. When plan sheets C3-2 and C3-3 were plotted, they did not include text for outfall requirements. The attached plan sheets C3-2R and C3-3R are to replace the originally issued sheets C3-2 and C3-3.
2. Delete all references to lime stabilized base. Lime stabilization is not required in this project.
3. Delete all references to asphalt treated base. Asphalt treated base is not required in this project.
4. In response to a question about fire lane striping, please refer to sheet C1-5 for the allocation of 1300 linear feet of fire lane striping.
5. In a question about “medium duty” pavement in Alternate Bid 2 on sheet C1-2, the details for that pavement is shown on sheet C4-3.
6. In a question regarding specifications for aggregates for surface

treatment, there are not any concrete areas with special surface treatment in this project. Refer plan sheet C4-1 for surface treatment at concrete curb ramps.
