Name of Applicant: _____.

Address where function will be held: _____.

Telephone Number: _____.

Date of function: _____.

Type of function: _____.

Hours of performance or other amplification: _____.

Type of amplification (Live band, etc.): _____.

Name of individual who will be in control of sound amplification equipment

_____.

The undersigned hereby makes application pursuant to the City of Lookout Mountain's Ordinance # 191 for a special permit to create amplified sound in excess of 55 db(A) during the above function only. Upon tentative approval of this application, the undersigned will mail or deliver to the occupants of each property within a two thousand foot radius of the address where the function will be held a notice describing the function and stating the date and hours of the function. The notice will be delivered at least 72 hours in advance of the function. The final permit will not be granted and issued until the undersigned submits an affidavit that the notice has actually been mailed or delivered.

The undersigned specifically acknowledges and agrees that, notwithstanding the City of Lookout Mountain's approval of this application, it is still unlawful for any person to create or assist in creating ***any unreasonably loud and disturbing noise*** in the City. If upon complaints of neighbors or otherwise the City determines that the level of sound amplification or other noise at the above function is unreasonably loud and disturbing, the undersigned will, immediately upon the verbal request of any City police officer or other official, cause the level of amplified sound and other noise at the function to be lowered to a level acceptable to the City. If the undersigned fails to do so, the City may halt the function without further warning, and citations for violation of Ordinance No. 191 may be issued.
