Garbage pick up is on Tuesday and Friday of each week. Each home is supplied with a green 90-gallon garbage can for household garbage only. Please call City Hall if you are in need of a replacement. If garbage pick up day should fall on a holiday, garbage will be picked up the following business day.

Brush & Leaves are removed as necessary on the remaining weekdays. The street department removes leaves with a vacuum and therefore asks that you keep them separate from brush. Please do not block drains, streets, or place your debris near fire hydrants or busy intersections. Brush removal is limited to yard trimmings as the City does not have a stump grinder and cannot contend with large limbs & stumps. If you have a special occasion, please call City Hall and give at least one weeks notice to arrange a pick up.

Recycling receptacles are located at City Hall for all mixed paper and aluminum. Corrugated cardboard is accepted at the maintenance barn in the Town of Lookout Mountain, Tennessee. Plastic and glass are not being accepted for recycling anywhere on the mountain currently.

Sewer Grinders are maintained by the City at no cost to the homeowner unless the system has been abused (please find a user's guide attached). Each grinder is equipped with an alarm system to alert the homeowner to any sort of malfunction. If the alarm sounds, please call City Hall and a technician will be sent out to repair the system.

City Council is an open meeting on the third Thursday of each month at 5:30p.m.

The Municipal Planning Commission meets on the second Tuesday of each month at 5:00p.m. for the purpose of considering building plans for both new construction and any additions. Two sets of plans must be submitted to City Hall by the first Tuesday of the month to make the agenda for that month. Please find "Procedures for Building" attached for more information.

City Decals are required on all vehicles as a "Neighborhood Watch" effort for the patrolling officers. They are renewed annually in May and are available at City Hall Monday thru Friday 8:00a.m. to 4:00p.m., or after hours in the Police Department.

Permits are issued at City Hall for amplified sound and yard sales. The City allows one yard sale per year. Procedures are available at City Hall for events requiring amplified sound permits.
