## Universal Express SM Plus\*

Universal Express Plus is an additional ticket that will let you skip the lines at all the rides and give you priority seating at all shows. These tickets are sold at the front of either park and online at [universolorlando.com](http://universolorlando.com).

If you are staying at a Universal on-site hotel (the Hard Rock Hotel®, the Portofino Bay Hotel, or the Royal Pacific Resort) then you do not need Universal Express Plus. Simply show your room key, and you will receive all of the benefits of the Universal Express Plus program.

Make sure to buy these tickets early because there is a very limited supply. On peak days, Universal Express Plus may sell out within the first few hours of opening.

### How to Use a Universal Express Plus

At the front of each attraction is a general entrance and a Universal Express ride access entrance. Simply show the ride attendant your Universal Express Pass and they will direct you in the appropriate direction.

\*UNIVERSAL EXPRESS PLUS passes subject to availability and hours of distribution are limited. UNIVERSAL EXPRESS PLUS reserved access begins one hour after park opening. On-site hotel privileges good for hotel stay as indicated on the room key card. Only good for the number of guests staying in the room. Paid theme park admission required. Some attractions excluded. Not valid for separately ticketed special events. Additional restrictions may apply and benefits are subject to change without notice.
