

Joy Ride Travel Inc. has been a part of our lives here in Texas for almost 25 years. Glenda, Joy and Roger started Joy Ride Travel in the mid-nineties. You have steadily grown her through the years, 1st by adding Jamie Burmeister and Tonda Petty, then Ruth Watson, Bonny Knodle, Lori Alexander and Eda Cohen. Judith Rosen and Barbara joined us too, Sadly we lost Barbara after the lost of her husband last year. Our newest Advisor is Michaela Jones. She is home now with here daughter, from two tours in the middle East. We think it only fitting as our fearless and awesome leader puts down her phone and picks up a fishing rod. That we bid her and her loving husband Roger a fitting farewell.

Please join us in 'wishing them a peaceful, relaxing and joyous retirement.' We are all still together here at **Joy Ride Travel Inc.** just as we have been here for you all along to help prepare your carefree vacations for years to come. The only thing that has changed is our address; Our new location is 1112 North Montclair Ave Dallas Tx 75208. Please call or email us! We'd love to post your gratitude and best wishes for them (don't forget), and our Travel Wish List too. Same phone: 972-298-5554 and all our same emails too or info@joyridetravel.com (7/3/20)

We will always love all the **Joy** you are responsible for in our lives. You took care of our families, weddings, cruises, vacations and all our emergencies. From all of us to you Glenda and Roger and your loving family, we say THANK YOU! It has really been a ride... **A Joy Ride!**
