Please Go Away™ Vacations is pleased to present a “City Classic” experience

NEW YORK CITY: ITS THEATER & MORE
Featuring the best of “The Big Apple”

June 6 - 10, 2019

Please join us as we personally escort an exciting and relaxing “City Classic” adventure of “The Big Apple” (we take you instead of sending you). As one of our personally escorted and value added “FEATURE” TRAVEL experiences, it “includes” many “features” that other program do not, all in the one price you pay before departure.

An example of “features” included, and normally not found in other programs, are the included dining events at a number of New York City’s finest and most historic restaurants. An example is SARDI’S, shown above. As is true with your other included dining events, eating here is more than food - it’s an experience! SARDI’S, literally steps from your “city center” hotel, with its thousands of caricatures lining its walls traces the history of Broadway. It is also the site where the “Tony Awards” were created. These awards, annually bestowed upon Broadway's best, are the equivalent of Hollywood’s “Oscar.”

We’ll stay the entire time at the prestigious InterContinental New York Times Square hotel. It is centrally situated in the heart of the City with major attractions, Broadway theaters, and shopping literally steps away from its front door.

Among many additional “features” included in this experience (all detailed in the brochure for you) are reserved seats for two of Broadway’s top performances.

Unlike most other travel offerings, “all inclusive” pricing is featured on this special departure. Everything detailed in this brochure - even the round trip air transportation from Kansas City and travel protection - are all provided in the one price you pay before departure. If you prefer to fly from another city, arrangements can easily be made for you to do this and appropriate price adjustments will be in place.

Reserve now to assure getting one of the remaining limited available spaces. A unique “no cost” 100% RESERVATION DEPOSIT REFUND GUARANTEE is in place to protect your reservations “for any reason” until February 1, 2019, After that date you are further protected “for covered reasons” by the feature of provided travel protections.

Compare! You will be pleased with what you find when you do!
WHAT ARE “CLASSIC” EXPERIENCES?

They are nationally recognized award winning travel programs created and operated by Please Go Away™ Vacations featuring one-of-a-kind destinations and in depth and “behind-the-scenes” experiences. There are two types of “Classics” - the “City Classic” and the “Country Classic.” Both feature a single “top of the line” inn or accommodation throughout, allowing for “unpacking and packing” only once. A “City Classic” concentrates on in depth experiences of a major city, while a “Country Classic” features broader geographic experiences as you are privately chauffeured daily to “must see and do” experiences that set the destination experienced apart as truly unique.

You’ll also enjoy a walking tour of Rockefeller Center, including St. Patrick’s Cathedral, 5th Avenue, Saks and New York’s famous avenue window displays. While doing these things you’ll be tempted to sample a pretzel with mustard or a brat smothered in grilled onions, available from the street vendors.

Featured will be the best exterior sights of Upper and Lower Manhattan -- such as the new Times Square, the Empire State Building, Madison Square Garden, the Flatiron Building, Greenwich Village, SoHo, Little Italy and Battery Park. You will be able to be just as busy or relaxed as you like. And, there will be time to do “your own thing” if you prefer. Nearby shopping opportunities are available.
