ALASKA ADVENTURE

A Personal Invitation from Please Go Away™ Vacations as we prepare to personally host for the 48th year our proven "granddaddy" of all tours - ALASKA ADVENTURE!

If you prefer the comfort, safety, security and camaraderie of a personally escorted travel experience to our 49th State - Alaska, we can recommend this departure without reservation! Please Go Away™ Vacations pioneered personally-escorted experiences to Alaska 47 years ago when the present day luxurious infrastructure of good roads, comfortable land lodges, floating luxury cruise ships, quality motor coaches, and glass-domed rail cars was non-existent. Returning each year for 47 years, we are convinced that what you will see and do on this special departure is absolutely the very best experience you can have of "The Big Land" of glaciers (more than the rest of the World combined), mountains, wildlife, beautiful and abundant flowers and unmatched natural beauty

Our itinerary is actually "3 Alaska experiences in one!" With Please Go Away™ Vacations you will experience the State's interior, the Gulf of Alaska, and the beautiful Inside Passage with Hubbard Glacier, Glacier Bay and ports of call at Skagway, Juneau, and Ketchikan. Comparison with other Alaska tours is always invited. Should you prefer a non-personally escorted experience on another date or with another cruise line, our "AS

YOU LIKE" TRAVEL division can serve you completely and without extra charges as we represent all reputable and financially sound companies.

Daily Itinerary

- Day 1** - Home/Fairbanks
- Day 2** - "Discovery" Riverboat/Dog Sledding Demo/Eskimos/Indians/More. This afternoon you will experience an authentic Alaska gold dredge mining operation, pan for gold, and see and touch the Alaska Pipeline and learn about its 800+ mile long unique structure. **Tonight, enjoy an included Please Go Away™ Vacations FEATURE BONUS: AN ALASKA SALMON BAKE!**
- Day 3** - This morning you will be transferred to Denali National Park (formerly Mt. McKinley National Park) and your waiting Denali Princess accommodations. After check in relax and begin to enjoy the lodge and its dramatic natural surroundings.
- Day 4** - Today you will soak up the clean air and majestic surroundings of Denali National Park as you enjoy an included Natural History Tour. There's no assurance of seeing wild animals because they are constantly on the move, however, past tour groups have seen wolves, caribou, grizzly bears, moose, ptarmigans, and more; all combined with the natural beauty of the Alaskan wilderness. This evening you will be free to explore the offerings of the Denali Princess or pursue other personal interests.
- Day 5** - Today will provide an included highlight of your Alaska

EARLY RESERVATIONS HELP YOU The earlier you reserve the better choice you have as to stateroom location, flight times, airplane seating, dining times, and possible additional savings. Of particular importance is the fact Alaska has a very limited supply of quality land accommodations. We are staying in the best. Because of this they tend to “be gone” early. Even more limited supply is present in the availability of glass-domed rail car seats. There often is space on ships, but no spaces on land and/or train. Reserve now and be protected by our exclusive **100% RESERVATION DEPOSIT REFUND GUARANTEE.** This important date is March 16, 2020. This exclusive no cost benefit allows you to reserve now to lock in best accommodations, flight schedules, preferred dining times, etc., and still be able to cancel “for any reason” until the 100% date. Should your cancellation take place before the 100% date you will promptly receive a 100% cash refund directly from the offices of Cheyenne Travel/ Please Go Away™ Vacations with no questions asked.

OUTSTANDING BENEFIT - ALL-INCLUSIVE PRICES!

FAIRBANKS

- ◆ **WELCOME TO ALASKA SALMON BAKE** - Operating in historic Pioneer Park for over 39 years, the Alaska Salmon Bake offers an authentic Alaskan dining experience in a truly unique environment. Featuring All-You-Care-to-Eat menu of Wood Grilled Salmon, Beer Battered Cod, and Slow Roasted Prime Rib, combined with Fresh Green Salad Bar, Roasted Potatoes, Grizzly Bear Baked Beans, Sourdough Rolls, Coffee, Tea and a dedicated Dessert Cabin.
- ◆ **DISCOVERY RIVER BOAT EXPERIENCE** - Explore one of Alaska's frontier cities. Learn how it happened to be located where it is and other interesting historical facts. The Discovery River Boat is the most popular manmade attraction in Alaska. In a matter of hours you will traverse two Alaskan rivers and be transported through - and exposed to - much of what makes Alaska such an exciting destination. The lifestyles of the native cultures will be unveiled, fish wheels powered by the river's current will be viewed, a dog sled demonstration with full commentary as to the training and conditioning of these special animals will take place, a float plane will take off and land beside your boat, and much more. Past travelers have indicated they could go home after these experiences on this special tour and feel they had experienced Alaska. Truthfully, that's an overstatement because so much still awaits you, but it does indicate its outstanding experiences you will enjoy.
- ◆ **GOLD DREDGE, PANNING FOR GOLD, ALASKA PIPELINE** - You will experience an authentic gold dredge operation and learn "first hand" about the tremendously important role gold has had in the history of Alaska, and continues to have in today's economy. You will actually pan for gold. With some expert help you are almost assured of being successful in capturing those tiny flakes of precious metal whose value adds up much quicker than one imagines. They are great to capture and bring home in some items of jewelry in which you will be tempted to put them. The 800+ mile Alaska Pipeline, four feet in diameter and constructed of half-inch pipe, will be able to be touched. You will learn about its pigs why it zigs-zags, and why some of it is above ground, while other portions are underground.

DENALI NATIONAL PARK (Mt. McKinley National Park) - PRINCESS DENALI LODGE

- ◆ **DENALI PARK NATURAL HISTORY TOUR** - Also known as Mt. McKinley National Park, this is an area filled with natural wonders and animals. As is always true with wild animals, there is no guarantee you will see any particular types as you wind your way into the interior of the park with your motor coach driver/guide. If lucky, you will be able to walk on tundra. The park is home to 130 species of birds, 500 wildflowers, and 40 species of mammals. You will be picked up at the Denali Lodge, your home within the park, and will be on your national park authorized motor coach approximately 6 hours.

KETCHIKAN

- ◆ **RAINFOREST SANCTUARY NATURE WALK, TOTEMS & EAGLES** - View many wonderful species of wildlife in their natural rainforest habitat on this mile-long guided trail walk, before touring a sawmill, viewing a bald eagle and watching a totem pole being crafted by a master carver.

JUNEAU

- ◆ **GRAND TOUR BY LAND: GLACIER GARDENS, HATCHERY & MENDENHALL GLACIER** - Savor the rich beauty of Glacier Gardens, see the largest salmon ladder in Alaska and visit Juneau's top natural attraction, the Mendenhall Glacier in Tongass National Forest - including entry to the visitor center - on this approximate 4.25-hour tour.

SKAGWAY

- ◆ **TO THE KLONDIKE SUMMIT** - Follow the original Gold Rush Trail of '98 up one of North America's most breathtaking mountain roads on this narrated excursion along the scenic Klondike Highway with numerous photo opportunities and views from the top of the 3,290 foot-high West White Pass Summit.

IMPORTANT THAT YOU READ - UNDERSTAND - ASK QUESTIONS

Passport Books - Not Cards - Required

Please provide copies of the information pages (photo, date of issuance, name, etc.) when you make reservations.

The SAPPHIRE PRINCESS (Princess ships are of Bermudan and British Registry.)

On the luxurious Sapphire Princess you will explore the waters of Alaska in the finest manner possible. A "small ship" feel and personality have been preserved on this luxurious floating five-star resort, where you always awaken in a new and exciting part of Alaska. You will experience the next generation of Personal Choice Cruising onboard one of the newest and most innovative ships yet. She boasts many private balcony staterooms (worth the small extra costs if they are your choice) from which to observe and "soak in" the wonders of nature -- from wildlife, to mountains, to ice-blue glaciers, and so much more. Just imagine enjoying a leisurely breakfast on your private balcony while basking in pleasant temperatures, wearing your cuddly soft provided robe and observing a glacier with its river of ice meandering continuously to the sea. If you're lucky, you may see one "calve an iceberg."

Experience the splendor of "all" of Alaska

Don't be disappointed by seeing less of Alaska than you expect. Be sure you experience the splendor of "all" of Alaska! It is a substantial investment and something you don't want to be disappointed in when you return home. This can easily happen with other programs. Always compare and be sure you are getting the most for your money and are seeing and doing the things that you desire. Please Go Away™ Vacations has every quality cruise and tour of every major company to Alaska available for your selection in a season that runs from May to September. However, for our "select" personally escorted departures we have selected the itinerary shown on the reverse of this brochure. 2021 will be our 48th year of hosting groups to Alaska. This experience has allowed us to determine, in our opinion, the absolute best time of year and best itinerary to allow you to see and experience "all" of Alaska. When you "go away" with us on the itinerary shown on the front of this brochure, you will see mountains and glaciers. You will also see real sled dogs, both glacial and fresh water rivers, and have the possibility of seeing wild animals.

Very Important Cancellation Provisions - Read Carefully - Understand - Ask Questions

It is the desire of Please Go Away™ Vacations that you do not place the money you pay for your deposit and final payments at risk. This is why we provide an exclusive "no cost" **100% RESERVATION DEPOSIT REFUND GUARANTEE** date for each of our special "FEATURE" TRAVEL departures. On this Alaska Adventure this very important date is March 15, 2021. This is important because up until that date you can cancel "for any reason" and receive a full refund of your deposit. Travel protection is provided for you after this date with Travel Insured International. Protection generally relates to unforeseen health and accident challenges of the traveler, traveler's immediate family, and traveler's traveling companion. One cannot cancel for other than "covered reasons" and be protected by the terms of the travel protection. Before March 15, 2021 you can simply "change your mind" and be fully protected. After that date, you "cannot change your mind" and be protected. Cancellation assessments for "other than covered reasons" after March 15, 2021 are: March 16, 2021 through May 15, 2021 - 50% of total charges; May 16, 2021 through conclusion of tour - 100% of total charges. Additionally, Princess reserves the right to reinstate the fuel supplement for all guests at up to \$9 per person per day if

the NYMEX oil price exceeds \$70 per barrel, even if fares have been paid.

Notice

Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations give notice that all tickets, vouchers, and coupons issued by them and all arrangements for transportation or conveyance or for hotel or lodging or for sightseeing services made by them, are made by them as agent for all involved operators, charter organizers, air/ocean/land carriers, hotels and all other suppliers without exception and upon express condition that they shall not be liable for injury, damage, loss, accident, delay or irregularity which may be occasioned either by reasons of defect in any vehicle or through the acts or default of any company or person that is engaged in conveying the passenger, furnishing rental cars to him, furnishing sightseeing services to him, or that participates in carrying out the arrangements of the tour or otherwise in connection therewith, or of any hotel or lodging or employee of said hotel or lodging. All prices are based upon those in effect at time of brochure printing and/or expected to be in effect at time of travel and are subject to change. Cheyenne Travel Agency Inc. dba Please Go Away™ Vacations give notice that they cannot be held responsible for any disruption of travel and/or related services due to monetary crises, political or social unrest, labor problems, climatic aberrations, local law, disease or unusual conditions, or for any other reasons whatsoever. These limitations of responsibility and liability likewise extend to any sponsoring person, persons, or organization.

Possible Physical or Other Challenges and Travelers Responsibility to Notify

You should know that, although we make every attempt to minimize, almost every travel experience will require a certain amount of walking, stair climbing, and other forms of physical activity. Any particularly significant physical challenges of which we are aware will be made known to you so that you can make an informed decision as to whether the travel experiences are acceptable to you in sufficient time so that you can avoid or minimize monetary losses in the event you choose to cancel your travel plans pursuant to the cancellation provisions shown elsewhere in this brochure. **However, just like we will notify you of particular challenges of which we have knowledge, so also is it absolutely incumbent upon you to fully inform us of any physical or other challenges that will impair your enjoyment of the awaiting travel experiences "in any way."** This is so we can be in a position to recommend assistance services that can be of assistance to you. You do need to know that almost every motor coach and other transportation company will not allow their drivers and tour hosts to physically assist you in any way as you enter or depart a motor coach, other forms of conveyance, and physical facilities. Likewise, the Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations personal tour host will not be in a position to provide these services either. The positive end result and satisfactory solution to any such or similar challenges you may have can and should be addressed by you having a person accompany you who is able to perform these services for you. Likewise, it is incumbent upon you to fully inform us of the need for, and to use when we request, the use of a wheelchair or cart conveyance from and to various points in airports, etc. We will always, when possible, be more than happy to arrange such conveyances ahead of time for you when you make their requirement known to us. It is the understanding of you and all other parties that you do not desire, nor is it fair to other fellow travelers, to require the group to be impeded in any way by unreported challenges. Together, by full and honest exchanges of information between us, you should be able to enjoy a rewarding and memorable travel experience.

Travel Protection and Preferred Method of Payment

The monetary investments you make in travel plans and arrangements are very substantial and can be subject to very significant cancellation fees and various assessments imposed by many different components and suppliers of any travel experience. Various amounts can be imposed by airlines, cruise ships, and others depending upon actual date and circumstances of cancellations and/or travel interruptions, possibly totaling 100%, or more of the amounts you paid. We "do not" recommend the protection plans offered by individual cruise lines and/or individual tour operators. These are most often very limited in scope and are quite often misleading and/or unclear in their coverage provisions. There are normally a number of excluded situations in their plans, which preclude complete recovery, or which do not sufficiently provide maximum coverage for the expenses incurred for the overall components of your travel experience. Such plans have been subject to numerous failed protections and complaints. It is the opinion of Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations that the Travel Insured International protection plans we provide are superior. Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations acts only as agent for Travel Insured International. All decisions as to policy interpretations and coverage are made solely by Travel Insured International, as is true with "all" available insurance protection plans. To save our travelers money, we prefer payments for all departures described in this catalog and/or brochure only in the form of your check, money order, or cash. This allows us to keep from passing through to each of our travelers the substantial fees charged by credit card companies. Because of the high quality of our travelers we do not feel the necessity of protecting ourselves by accepting credit cards - your word and your personal payments are sufficient. Also, it is necessary that we direct your payments to many different travel components. The use of credit cards complicates this procedure. In the rare instance when a client insists upon using a credit card for payment toward one of our personally escorted travel experiences there will be a supplemental service/transaction fee of a minimum of 4% of the amount charged added to the credit card transaction.

Comments on Airlines Used

As part of Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations' unmatched personal service of "taking" travelers on the personally escorted travel experiences detailed in this catalog and/or this brochure, as opposed to "sending" them on their own; while at the same time providing value-added "all inclusive" travel experiences where everything specifically referenced in the descriptive brochure is already included in the price shown. This includes, but is not limited to, round trip air transportation from a specific named departure city or cities (changes in the departure city used are allowed with proper adjustment of pricing). The identity of specific carrier(s) used, which may include a code-share flight, will be assigned and disclosed at a later date, when known. In the alternative, individual travelers may arrange their own air transportation that properly coincides with arrival and departure requirements of the specific tour departure. If done, proper reductions will be calculated. In today's travel world airlines regularly charge to check luggage, for overweight luggage, and for other services. When imposed, airlines require the traveler to individually pay for these amounts with credit or debit cards, or cash. Because of this, such charges are not included in any indicated tour cost. Flight air fares will be calculated from Wichita, KS unless schedules or availability indicate otherwise. We are pleased to attempt to arrange flights from other departure cities if more convenient for, and requested by, our travelers. When this occurs fare adjustments - either up or down - are passed through to the affected traveler.
