A Personal Invitation to join us on our “granddaddy” of all our tours - ALASKA ADVENTURE!

Please Go Away™ Vacations pioneered personally-escorted experiences to Alaska half a century ago when the present day luxurious infrastructure of good roads, comfortable land lodges, floating luxury cruise ships, quality motor coaches, and glass-domed rail cars was non-existent. Returning in 2024 for our 50th time with our special “FEATURE” TRAVEL experience, we are convinced that what you will see and do on this special departure is absolutely the very best experience you can have of “The Big Land” of glaciers (more than the rest of the World combined), mountains, wildlife, beautiful and abundant flowers and unmatched natural beauty.

You will experience “all” of Alaska on our Land/Cruise Combo! This itinerary is actually “3 Alaska experiences in one!” With Please Go Away™ Vacations you will experience the State’s interior, the Gulf of Alaska, and the beautiful Inside Passage with Hubbard Glacier, Glacier Bay and ports of call at Skagway, Juneau, and Ketchikan. Comparison with other Alaska tours is always invited.

When you “go away” with us we’ll give you an Alaskan ULU as a useful and authentic memento! Eskimos still use - you will too - very useful!

Daily Itinerary of Land “plus” Cruise Combo

Day 1 - Home/Fairbanks with included hotel for 2 nights.

Day 2 - Today you will be introduced to the unusualness of Alaska beginning with the “Discovery” River Boat/dog sledding demonstration. Then continue in the afternoon with authentic Gold Dredge Mining demonstration and seeing and learning about the Alaska Pipeline up close. **Tonight, enjoy an included Please Go Away™ Vacations FEATURE BONUS EXPERIENCE: AN ALASKA SALMON BAKE featuring mouthwatering foods!**

Day 3 - This morning you will be transferred to Denali National Park (formerly Mt. McKinley National Park) and your waiting Denali Princess accommodations. After check in relax and begin to enjoy the lodge and its dramatic natural surroundings.

Day 4 - It’s time to get on the tundra and experience the Denali National Park History Tour. There’s no assurance of seeing wild animals because they are constantly on the move, however, past tour groups have seen wolves, caribou, grizzly bears, moose, ptarmigans, and more; all combined with the natural beauty of the Alaskan wilderness.

Day 5 - Today will provide an included highlight of your Alaska experience as you enjoy an Alaska train ride through majestic views of nature, glaciers, and more; all enhanced by the glass-domed rail cars you will be enjoying. Our train will transport our group to the waiting luxurious Sapphire Princess cruise ship at Whittier.

PGA SELECT FEATURE - For those reserving by 120 days prior

MUSIC OF DENALI DINNER THEATER

After exploring the wonders of Denali National Park, conclude your day with the Music of Denali, performed at the McKinley Chalet Resort. This musical performance tells the story of the first brave and adventurous men to summit Denali.

You’ll find yourself clapping and singing along with the talented cast, which includes Walter Harper - the first Alaska Native to set foot on the 20,310 ft summit of Denali, “the high one”.

The actors and actresses do double-duty as your servers for an all-you-can-eat meal served family-style. Enjoy dishes of Alaskan Salmon, smokehouse BBQ, mountains of mashed potatoes, and an apple crisp to top it all off for dessert. Bring your appetite. You will leave with a full stomach, and an appreciation for these early Alaskan explorers.

Days 6/12 - Over the next 7 days relax and luxuriate aboard your floating hotel and entertainment center. Meals and entertainment are included on the ship. Days at sea feature Hubbard Glacier, Glacier Bay and the Inside Passage interspersed with day-long ports of call at Skagway, Juneau and Ketchikan, before arriving in Vancouver. **At each of these three ports of call, you will enjoy additional included Please Go Away™ Vacations FEATURE BONUS EXPERIENCES THAT HAVE BEEN SELECTED FOR YOU TO MAXIMIZE YOUR EXPERIENCES IN EACH PORT (see “Highlights” below and special FEATURE BONUS supplement).** At the same time you will have opportunities to participate in additional optional activities, to participate in an “on your own” walking tours with maps provided by our team, or to do whatever else you may personally choose.

Highlights and Benefits

DENALI NATIONAL PARK, HOME OF MT. MCKINLEY: Covering six million acres of untouched wilderness, Denali Park is one of North America's great wildlife preserves. Observe many of the 130 species of birds, 500 wildflowers, and over 40 species of mammals that make the park their home on your game drive. Stay at the Denali Princess Lodge and enjoy a National Park experience. Learn about this amazing destination via the included “Feature” bonus natural history tour.

FAIRBANKS: Board an authentic operating sternwheeler for a cruise on the Chena & Tanana Rivers with a stop at “Old Chena Village” for a dog-sled demonstration. See up close amazing fish traps and the difference between glacial and fresh water rivers. Enjoy an included authentic salmon bake with other meats and multiple choices of foods and desserts. You will also experience an authentic gold dredge operation, you will pan for gold, and you will see and learn about the Alaska Pipeline.

GLACIER BAY: The major glacier in Glacier Bay National Park is almost 2 miles wide and rises about 25 stories above the water.

HUBBARD GLACIER: Hubbard Glacier stretches 76 miles to the sea north of Yakutat in Disenchantment Bay. It is the longest tidewater glacier in America, with an open calving face over 6 miles wide.

JUNEAU: Juneau is the only state capitol in the U.S. you must fly or cruise to. The famous Red Dog Saloon is located here, as are nearby Mendenhall Glacier and the Chapel by the Lake.

KETCHIKAN: You'll experience the rich living culture of southeast Alaska's Native Americans. Bring your camera, as the Village offers countless photo opportunities including totem poles and you will have access to areas not available to independent guests.

SKAGWAY: This historic city was the starting point of gold miners entering the interior during the Klondike gold rush that began in 1898 following the Chilkoot Trail that became known as the “Trail of '98.” While in Skagway you will experience an adventure aboard the White Pass Railroad, a narrow gauge train that was built in 1898 to expedite travel during the Gold Rush.

- **Notice.** Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations give notice that all tickets, vouchers, and coupons issued by them and all arrangements for transportation or conveyance or for hotel or lodging or for sightseeing services made by them, are made by them as agent for all involved operators, charter organizers, air/ocean/land carriers, hotels and all other suppliers without exception and upon express condition that they shall not be liable for injury, damage, loss, accident, delay or irregularity which may be occasioned either by reasons of defect in any vehicle or through the acts or default of any company or person that is engaged in conveying the passenger, furnishing rental cars to him, furnishing sightseeing services to him, or that participates in carrying out the arrangements of the tour or otherwise in connection therewith, or of any hotel or lodging or employee of said hotel or lodging. All prices are based upon those in effect at time of brochure printing and/or expected to be in effect at time of travel and are subject to change. Cheyenne Travel Agency Inc. dba Please Go Away™ Vacations give notice that they cannot be held responsible for any disruption of travel and/or related services due to monetary crises, political or social unrest, labor problems, climatic aberrations, local law, disease or unusual conditions, or for any other reasons whatsoever. These limitations of responsibility and liability likewise extend to any sponsoring person, persons, or organization.
- **Possible Physical or Other Challenges and Travelers Responsibility to Notify** You should know that, although we make every

attempt to minimize, almost every travel experience will require a certain amount of walking, stair climbing, and other forms of physical activity. Any particularly significant physical challenges of which we are aware will be made known to you so that you can make an informed decision as to whether the travel experiences are acceptable to you in sufficient time so that you can avoid or minimize monetary losses in the event you choose to cancel your travel plans pursuant to the cancellation provisions shown elsewhere in this brochure. **However, just like we will notify you of particular challenges of which we have knowledge, so also is it absolutely incumbent upon you to fully inform us of any physical or other challenges that will impair your enjoyment of the awaiting travel experiences "in any way."** This is so we can be in a position to recommend assistance services that can be of assistance to you. You do need to know that almost every motor coach and other transportation company will not allow their drivers and tour hosts to physically assist you in any way as you enter or depart a motor coach, other forms of conveyance, and physical facilities. Likewise, the Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations personal tour host will not be in a position to provide these services either. The positive end result and satisfactory solution to any such or similar challenges you may have can and should be addressed by you having a person accompany you who is able to perform these services for you. Likewise, it is incumbent upon you to fully inform us of the need for, and to use when we request, the use of a wheelchair or cart conveyance from and to various points in airports, etc. We will always, when possible, be more than happy to arrange such conveyances ahead of time for you when you make their requirement known to us. It is the understanding of you and all other parties that you do not desire, nor is it fair to other fellow travelers, to require the group to be impeded in any way by unreported challenges. Together, by full and honest exchanges of information between us, you should be able to enjoy a rewarding and memorable travel experience.

- **Preferred Method of Payments** To save our travelers money, we prefer payments for all departures described in this catalog and/or brochure only in the form of your check, money order, or cash. This allows us to keep from passing through to each of our travelers the substantial fees charged by credit card companies. Because of the high quality of our travelers we do not feel the necessity of protecting ourselves by accepting credit cards - your word and your personal payments are sufficient. Also, it is necessary that we direct your payments to many different travel components. The use of credit cards complicates this procedure. In the rare instance when a client insists upon using a credit card for payment toward one of our personally escorted travel experiences there will be a supplemental service/transaction fee of a minimum of 4% of the

amount charged added to the credit card transaction.

- **Comments on Airlines Used** As part of Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations unmatched personal service of "taking" travelers on the personally escorted travel experiences detailed in this catalog and/or this brochure, as opposed to "sending" them on their own; while at the same time providing value-added "all inclusive" travel experiences where everything specifically referenced in the descriptive brochure is already included in the price shown. This includes, but is not limited to, round trip air transportation from a specific named departure city or cities (changes in the departure city used are allowed with proper adjustment of pricing). The identity of specific carrier(s) used, which may include a code-share flight, will be assigned and disclosed at a later date, when known. In the alternative, individual travelers may arrange their own air transportation that properly coincides with arrival and departure requirements of the specific tour departure. If done, proper reductions will be calculated. In today's travel world airlines regularly charge to check luggage, for overweight luggage, and for other services. When imposed, airlines require the traveler to individually pay for these amounts with credit or debit cards, or cash. Because of this, such charges are not included in any indicated tour cost. Flight air fares will be calculated from Wichita, KS unless schedules or availability indicate otherwise. We are pleased to attempt to arrange flights from other departure cities if more convenient for, and requested by, our travelers. When this occurs fare adjustments - either up or down - are passed through to the affected traveler.
- **Comments on Travel Companies** This travel adventure is offered by Cheyenne Travel Agency, Inc. dba Please Go Away™ as agent for and in concert with Princess Cruises. All persons reserving will be provided with a confirmation packet, a disclaimer and limitation of liability form. Should you desire not to proceed with your reservation, it will be necessary for you to notify Cheyenne Travel Agency, Inc. dba Please Go Away™ Vacations in writing within (7) days of receiving these documents. Doing so will generate a prompt refund to you of your reservation deposit. Should any person not return the disclaimer, properly signed, it will be understood that all persons covered by your reservation understand and agree to the terms. A copy of the disclaimer is available for viewing prior to making reservations upon request.
