### It's A Fact - Combining Rail and Motorcoach Travel Provides The Best Canadian Rockies Experience

*The best way to experience the magnificent Canadian Rockies is by taking advantage of both superior rail travel and combining it with superior motorcoach travel. The reason is that both modes of transportation allow you to see and experience things that the other cannot do nearly as well.*

*An example are Icefields Parkway with its magnificent fields of ice including Athabasca Glacier where you can stand on ice more than 1,000 feet thick and also the magnificent Chateau Lake Louise overlooking the turquoise waters of Lake Louise where our group will enjoy outstanding views, accommodations, and dining experiences. Trains do effectively experience these other outstanding Canadian Rockies "must sees."*

*On the other hand, there are views and experiences in the breathtaking Canadian Rockies that can only be experienced by rail.*

*The Canadian Rockies are not like the Colorado Rockies that have foothills stair stepping to the mountains themselves. With no foothills the Canadian Rockies elevations are immediate resulting in dramatic rail views and experiences.*

*On this special experience you have the best of both!*
