MAINE'S HIDDEN TREASURES

Be Protected By Our PYIP - Put Yourself In Position Program

**PYIP
\$100**

Maine is a destination in itself—filled with hidden treasures. It has the second-most lighthouses in the U.S., the highest mountain on the Eastern seaboard north of Rio de

Janeiro, and a rock bound coast line that creates amazing vistas. This is the ideal opportunity for you to take advantage of our exclusive PYIP - Put Yourself In Position program that allows you to “lock in” a right of first refusal on the number of spaces you think you might want on this departure with a fully-refundable holding deposit of \$100 per space.

We realize while you may want to go on this tour now circumstances can change in two years that would prevent this from happening. Our goal is for you secure spaces now because they are limited nationwide, but to be able to do so without concern of losing money should you be required to cancel. Our PYIP - Put Yourself In Position program allows you to do this - secure spaces but protects you from monetary loss if you change your mind.

- *Forward your PYIP deposit of \$100 per space desired along with names of travelers*
- *Favorable final pricing is anticipated pending finalized contract*
- *Your spaces will immediately be “locked in”*
- *When final details including pricing are revealed later next year you will be provided with the information before we make it available to the general public*
- *At that time you can either request a refund of your holding deposit and a prompt refund check will be issued or finalize your reservations by*

payment of the deposit balance due with paid holding deposit amount applied toward your deposit
