Yellowstone National Park*

August 19 - 26, 2027

America's Natural Wonders & Cultural Treasures

Yellowstone National Park was the first national park in the United States, established on March 1, 1872, when President Ulysses S. Grant signed the Yellowstone National Park Protection Act, setting a precedent for preserving unique natural areas for public enjoyment. Yellowstone is also recognized as the world's first national park, creating a model for conservation that other nations followed.

On this "*Americana Adventure*" we are going to experience stunning views of the American West as we become awed by massive Mount Rushmore and make our way through Yellowstone National Park, Grand Teton National Park, and more. We'll overnight in the cowboy towns of Jackson Hole and Cody. Experience the Wild West as it once was with a visit to Deadwood, a town built on gold and gunpowder. We will choose how we delve into the local history, with a tour of the Adams Museum in Deadwood or at the exhibit *Tatanka: Story of the Bison*.

We will experience Yellowstone National Park, home to an incredible array of wildlife. Search for free-ranging herds of buffalo in Custer State Park. Marvel at Grand Teton National Park's towering peaks, marked with mountain glaciers. Soak in stunning views of Mt. Rushmore and the Crazy Horse Memorials. The memorial includes the Indian Museum of North America, Native American Cultural Center, the sculptor's studio, an orientation center and theaters.
