

Read and Understand Before Reserving

Often the travel arrangements we have the privilege of providing our clients involve airplane flights. The identity of specific carrier(s) used, which may include a code-share flight, will be made known to you when you make your reservations, if known. If not, the identity of specific carrier(s) used, which may include a code-share flight, will be assigned and disclosed at a later date, when known.

Also, Cheyenne Travel/Please Go Away™ Vacations always recommends travel protection insurance. The liability of Cheyenne Travel/Please Go Away™ Vacations is strictly limited because of its relationship with all involved parties and business entities; and because of “Disclaimers” - “Releases” - “Travel Insurance Recommendations” - “Notices” - etc. These are presented to travelers in different ways and formats. For example, it may take the form of the following Disclaimer present on many travel brochures of our personally escorted **FEATURE** experiences:

This travel adventure is offered by Cheyenne Travel/Please Go Away™ Vacations in concert with (name of cruise lines, travel companies, etc.) All persons reserving will be provided with a confirmation packet and a disclaimer and limitation of liability form. Should you desire not to proceed with your reservation it will be necessary for you to sign and return the disclaimer form indicating your decision. Doing so will generate an immediate refund to you of your reservation deposit. Should any person not return this disclaimer within 10 days of making the reservation, or prior to 100% Reservation Deposit Refund Guarantee Date shown on this brochure, whichever occurs first, it will be understood that all persons covered by your reservation understand and agree with its contents. A copy of the disclaimer is available for viewing prior to making reservations upon request.

Or, in the context of the sample form reproduced below.

If you don't understand or have questions please ask before finalizing your travel arrangements.
