

Ireland is where it all started for Sceptre over 40 years ago. And we are so well known with all the accommodations, tours and activities there that they come to us with special offers. **Scroll to save!**

With that, we are seeing a big rise in bookings for travel in the latter half of 2021. Here are the 5 most popular packages that people are booking for Ireland vacations.

- **Dublin and Ireland Adventure with B&Bs:** The combination of a two nights in Dublin and the cozy accommodations in the land of a thousand welcomes makes this very popular.
- **Discover Your Roots in Ireland:** Includes admission to EPIC (the Irish Emigration Museum) and a 90 minute private consultation with a genealogy expert at the Irish Family History Centre.
- **Ireland 5 Star Resort:** Your clients can explore Ireland's Ancient East from a 5-star resort in County Wicklow. They will be within a short distance from beautiful natural wonders and vibrant Dublin.
- **Irish Castle and Country:** They will get the chance to see Kilkenny, Connemara, Westport, and Dublin up close. Includes a stay at Abbeyglenn Castle in Connemara.

Sceptre has **55 expertly designed Prebuilt vacation packages to Ireland** that you can offer your clients. They are fast and easy to quote and you can share beautiful custom itineraries with your clients in just a few minutes.
