Saturday, June 29, 2019

**F**or those who bleed the green and gold, this is the ultimate tour!

Discover the humble origins of the Green Bay Packers, from their inception in 1917, through the Packing Plant and City Stadium eras, to the modern day magic of the frozen tundra. Begin they day with the exciting “Champions Stadium Tour” that takes you to the farthest reaches of the stadium. Experience the thrill of passing through the players tunnel out onto the sidelines of the field. You’ll also experience a private Art Tour, unveiled last year that is not on display to the public!

Break for lunch at Lambeau Field’s newest restaurant, *1919*, featuring Wisconsin-made products in a vintage atmosphere.

After lunch, enjoy a self guided tour of the brand new, state-of-the-art Packers Hall of Fame. Spend time with the HOF Curator who will reveal special items to view and answer any of your burning questions! You will have time to do a little shopping in the Packers Pro Shop before you head to Titledown.

Spend the last part of your day in Titledown where you’ll enjoy a beverage and afternoon snack while you enjoy the views of the park, football field and other Titledown attractions up close. Depart home for Madison around the 5 o’clock hour.
