15-Night Panama Canal

Round Trip from Galveston on the Carnival Freedom

PANAMA CANAL PARTIAL TRANSIT

Best known for connecting east to west, the Panama Canal is the right thing in the right place for speeding up transit by sea. But what about taking it slow? It's great for that too! With its mouth located on the Atlantic near the city of Colón, this decades-in-the-making canal flows past the lush green scenery surrounding the canal's impressive Gatún Locks, on its way towards the expanse of Lake Gatún itself. You'll go with the flow as you enter — and exit — the lake through these locks, getting two chances to take in up-close views of the land.

Cruise the Panama Canal and enjoy a zoomed-in real-life look at perhaps last century's greatest engineering achievement... along with its surrounding lush, verdant lands. This testament to human audacity joins the Pacific and Caribbean in the most direct way possible, and is worth making a leisurely part of your vacation. Even better, Panama Canal cruises call at ports along the way like Limón and Cozumel. Cruises through the Panama Canal promise one legendary trip.
