

10-Night Pristine Islands & Filipino Culture Cruise

Regent Explorer

November 10 - 20, 2023

Hosted by Tammy McDaniel

Travel to Hong Kong and scratch the cosmopolitan, tech-heavy surface, and you'll discover vestiges of ancient China in its culture. Cruise to Nha Trang and Ho Chi Minh City, best known for its golden beaches, clean air, and proximity to some paradise-like islands. Also, visit Kota Kinabalu, a popular tourist spot in Malaysia. The last stop is in Manilla, where people live for the moment. Its carefree spirit marks the way of life in Manila: Work can be put off till tomorrow.
